

The Diamabrush By Malish Mastic Removal Tool

The Safe Way To Remove Mastic, Glue, Adhesive and Coatings

The Diamabrush By Malish Mastic Removal Tool makes removing stubborn coatings like mastic, carpet, tile adhesive, thin-set and thin-mil easy and safe. With no dangerous and volatile chemicals or scraping required, the Mastic Removal Tool utilizes patented diamond-coated blades to enhance efficiency by preventing caramelizing and clogging of the tool. Mountable to any standard floor buffer or auto-scrubber, the Diamabrush By Malish Mastic Removal Tool is the ideal solution for even the most difficult floor coating problem. Dust can be eliminated by using with water.

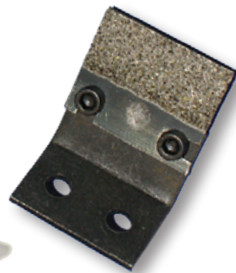

Can be used with any floor buffer or auto-scrubber

Mastic Tool can be used with any floor buffer or auto-scrubber
